

## J's Love Project Manifesto

I am **ALL-IN**, a life of **LOVE** immersion.  
In the **PEOPLE I LOVE**, the **art I make**,  
the **words I write**, the **CAUSES I TAKE UP**,  
I will be an **EXAMPLE** of what it looks like to **love fearlessly**  
(which is not about being fearless, but about loving through the fear).

Humanity awes me.

It is *magnificent*  
and **TERRIBLE**  
and *miraculous*  
and *flawed*.

This project is my love letter to the world.

It's about unabashed gratitude and **KICKASS KINDNESS**.  
Because, here's the thing: snark is *funny*; cynicism is *cool*,  
but the **real bad asses** in this world **LOVE**.

Choosing love in a world of cynics takes courage.

That is my message,  
and my goal is to recruit all the  
*earnest*, *hippie*, *doe-eyed*,  
**BRUISED**, **broken**, *beautiful*, **BRAVE**,  
open-hearted love warriors I can.

We **CAN** change the world...  
*one heart at a time*.
